Congratulations Brenda! Teacher of the Year 2019-2020! Bessemer City Middle School

BRENDA RODRIGUEZ

Brenda teaches 6th grade mathematics at Bessemer City Middle School. The Gaston Gazette honored their teachers of the year as the Superheros of Public Education this past week.

When the coronavirus forced the closure of schools, our teachers jumped into action to transition instruction from the classroom to the living room. They have been on the frontlines of education, working to support their students and keep the focus on learning. Thank you to ALL the teachers in Gaston County Schools. We appreciate your care, compassion, and concern during the pandemic.
-- Gaston Gazette

 * To Our Loving Church Family,
 * We know how special this Sunday is and what it must mean to each of you to gather together
 * again in our Lord's house. We really would love to be there with each of you physically and will
 * greatly miss this wonderful opportunity, however, our hearts will be there with you. We love our
 * church. Our church
 * family is important to us. We appreciate all the love and support we receive from each of you.
 * We are so proud of the men and women all of "our kids" have made of themselves. They all
 * brought, and are still bringing, years of enjoyment and fulfillment to our lives.
 * We ask that each of you continue remembering our family in your prayers, love, and spiritual
 * support, just as you have been doing. Prayer changes things. Prayer really works. Prayer has
 * always worked now and in the past. We feel it each day. We know it helps us receive the
 * strength we need each day. We love each of you.
 * God is good! God bless you all!
 * With love, peace, hope, and joy,
 * *B.A. and Carolyn*
 * *Joe and Leanne*
